Don't you see that now my hands are shaking?
And don't you hear it in my voice?
When I tell you I could die
Tell me, am I mistaken?

Don't you see that when I walk, I stumble?
Such a cruel way to crumble
You tell me that we're done
And I can see us breaking

Take my heart, turn it on
I want it back again
Tell me, how did you get back in my mind
When I thought you were gone?
Tell me, How could I believe it would be fine?
Take my heart, turn it on
I want it back again

Can't you see that I'm doing so much better?
No longer caught in a trap
I wake up every morning to a sun that's burning
Now I talk without my stomach churning
Or that pounding in my chest
Someone check my pulse
Cause I can't feel it beating

Take my heart, turn it on
I want it back again
Tell me, how did you get back in my mind
When I thought you were gone?
Tell me, How could I believe it would be fine?
Take my heart, turn it on
I want it back again
(Don't you see now that my hands are shaking?)
I want it back again
(You tell that I'm blind
But I see what's breaking)

Tell me, how did you get back in my mind
When I thought you were gone?
Tell me, How could I believe it would be fine?
Take my heart, turn it on

I want it back again
(Don't you see now that my hands are shaking?)
I want it back again
(You tell that I'm blind
But I see what's breaking)
[x2]

Tell me, how did you get back in my mind
When I thought you were gone?
Tell me, How could I believe it would be fine?
Take my heart, turn it on
I want it back again
(Don't you see now that my hands are shaking?)
I want it back again
(You tell that I'm blind)
I want it back again
(But I see what's breaking)
See what's breaking
