You came in my life, you came in my life, you came in
my life for me to be. You came in my life, you came in
my life, you came in my life for me to see.

You came in my life walking right at me. It was the first
sight, you caught my life right. I see you walking
straight away from me. It was the last time I would
remember. I thought you loved me- but unfortunately,
you hate all of me and I cannot forget it. Things were
going perfectly until you ruined it. What the hell
happened. There is no 'you and me' anymore. We were
together when...

You came in my life talking about me- so many things
that I would remember. I see you walking- passing me
daily. You are the only girl that can make me. I thought
you loved me but on the bright side, I have the story of
our history. You were the time bomb, I was the sensor.
This is the end of lives I have entered. You were feeling
close to me until you killed us. Why don't you listen.
There is no 'you and me' anymore. We were together
when...
