"Let Me Go"

I saw you walking up the street, i'm slowly senseless.
Blonde hair, blue eyes, soft lips, a sound that went
around the room. I'd have to say you came in my life to
just let me go. Next time you let me go, at least you
could just let me know.
...and so, i'm sorry. I'm sorry.
I saw you crying on your roof- i'm slowly bleeding. I
wrote down everything we did and told what we had
said. I'd have to say you never loved me like I told you
so. Next time you lie to me, I highly doubt i'd listen
good.
