Pimpin, pimpin, pimpin, pimpin

Baby whatâ's happenin, girl you got a pretty face
Let me know whatâ's poppin, I ainâ't got time to waste,
nah
Put your number in my phone,
Girl we could get it on
Oh you like how I smell, thatâ's that pimpin cologne
Canâ't go to the left, keep my cane when I step
If a trick get stupid, they gonna get slapped
Iâ'm a trill og, get my knowledge from pimp c
Yeah I keep a switchblade, if a nigga test me

[Hook]

Because Iâ'm pimpin pimpin, Iâ'm pimpin pimpin
Iâ'm pimpin pimpin, Iâ'm pimpin pimpin
Got my kangos to the left, kick my cane when I step
If a trick get stupid, they gonna get slapped
Because Iâ'm pimpin pimpin, Iâ'm pimpin pimpin
Iâ'm pimpin pimpin, Iâ'm pimpin pimpin

Back on the scene, time to get my caddie green
If she donâ't have my paper, she gonn have to cope at
least
Because I gave her the cdâ's
She ainâ't bring my money back, what?
Oh you think Iâ'm stupid bimp, where my money at
Now Iâ'm southern player, from the himalaya
Out in my coole, donâ't even know the flavor
Iâ'm pimpin by the month, Iâ'm fly you canâ't front
You mad you canâ't stunt, all you boys is some punks

[Hook]

Because Iâ'm pimpin pimpin, Iâ'm pimpin pimpin
Iâ'm pimpin pimpin, Iâ'm pimpin pimpin
Got my kangos to the left, kick my cane when I step
If a trick get stupid, they gonna get slapped

Because Iâ'm pimpin, see Iâ'm acting like a pimp

Talkin like a pimp, getting money like a pimp
Ballin like a pimp
Ride fly like a pimp, stuntin like a pimp
Pimpin like a pimp damn it Iâ€™m a pimp

I feel like pinky riding in that caddie
And they donâ€™t call me chuck
They all call me daddy
Got a fire mouth piece, I just spit that game to em
Main I train my trap well, all you niggas lame to em
Iâ€™m the mac but I ainâ€™t pimpin like goldie
Oh you talking real sporty, itâ€™s for other
What Iâ€™m talking bout, this pimpin here donâ€™t fade
I got real ogâ€™s that will ride out all night

[Hook]

Because Iâ€™m pimpin pimpin, Iâ€™m pimpin pimpin
Iâ€™m pimpin pimpin, Iâ€™m pimpin pimpin
Got my kangos to the left, kick my cane when I step
If a trick get stupid, they gonna get slapped
Because Iâ€™m pimpin pimpin, Iâ€™m pimpin pimpin
Iâ€™m pimpin pimpin, Iâ€™m pimpin pimpin
