hush

Every moment is cherish having you is like a earth thats  
meets a end

Ever moment with you is like for days but when you  
leave it like forever

being with is a moment someone will want to live  
forever as i do to.

as we go along we living things like going places it like  
paradise, just me and you all night all day.  
forever

ever moment with you is like paradise  
every day every moment is cherish  
just me and you living the day

Girl do you want to go and vist the stars maybe bognor  
regis we can go down to adventure island  
remeber you ask just me and you all the adventures  
no stopping just bopping all day I never want to stop if  
just kepping maybe live together forever

ever moment with you is like paradise  
every day every moment is cherish  
just me and you living the day

Do you mind I ask you out  
Drum Solo

Girl you are the one for me nobody I can't live on my  
own just me and you all night and all daayy

ever moment with you is like paradise  
every day every moment is cherish  
just me and you living the day
