Hook:

I can't wait 'til you come over cause I'm feeling like you
ready ready
I been feining for some time & it's getting kind of
hectic hectic
Cause I want you, I want you
Oh yes I do, oh yes I do
Show me that your ready ready

Verse 1:

Step into my room, then I close the door
Looking at your body I see what you got in store
Come & give me everything I been feining for
Have it your way a little foreplay
Girl I know you ready
Let the games begin, when you let me in
Laying in this championship girl we're bout to win
We gone just take flight, because it feel so right
It's going down tonight

Hook:

I can't wait 'til you come over cause I'm feeling like you
ready ready
I been feining for some time & it's getting kind of
hectic hectic
Cause I want you, I want you
Oh yes I do, oh yes I do
Show me that you're ready ready

Verse 2:

Ohhooo ohhooo hooooo hooooooo
That's what I wanna hear in my ear
I will be your vocal coach you hitting notes you never hit
before
Ooooh Sing to me baby
While I please you lady
Have it your way a little foreplay
Girl I know you ready
One thing's for sure, I'ma leave you wanting more
I'ma get you right before this encore

Hook:

I can't wait 'til you come over cause I'm feeling like you
ready ready
I been feining for some time & it's getting kind of
hectic hectic
Cause I want you, I want you
Oh yes I do, oh yes I do
Show me that your ready ready

Verse 3:

Shawty I been feining for your love
So tell me are you ready to give me all your love
I can get you in the mood
Lay your body next to mine & the rest I will do
Have you screaming have you moaning

Hook:

I can't wait 'til you come over cause I'm feeling like you
ready ready
I been feining for some time & it's getting kind of
hectic hectic
Cause I want you, I want you
Oh yes I do, oh yes I do
Show me that your ready ready
