Were hanging a star above our tree,
And don't it look lovely
The lights and the tinsilÃ sparkling for you
IIII
Got that christmas feeling,
I take it everywhere I go
And make that christmas feeling groOOoow
So warm by the fireplace we glow,
All cozy and happy
And hang all the stockings in a row with you
IIII
Got a christmas feeling,
I take it every where IIII go
And make that christmas feeling grow
It feels like christmas (christmas)
Christmas (christmas)
Come on I know you don't wanna miss this
Lets make that Christmas feeling grow
Ohooooaoo
Lets make that christmasÃ feeling grow
