Marceline: la da da da da
I'm gonna burry you in the ground
La da da da da
I'm gonna burry you with my sound
I'm gonna, drink the red
From your pretty pink face,
I'm gonna-

Princess bubblegum: marceline, that's to distasteful

Marceline: oh... you don't like that? OR DO YOU JUST NOT LIKE ME!

Sorry I don't treat you like a goddes,
Is that what you want me to do?
Sorry I don't treat you like your perfect,
Like all you little loyal subjects do.
Sorry I'm not made of shugar,
Am I not sweet enough for you?
Is that why you always avoid me?
I must be such an inconveince to you!
Well, I'm just your problem!
I'm just your problem,
It's like I'm not,
Even a person,
Am I?
I'm just your problem, well
I-i-i shouldent have to justify what I do
I-i-i shouldent have to prove anything to you.
I'm sorry that I exist
I forget your getting me on your black list but
I-i-i shouldent have to be the one who makes up with
you, so
Why do I want to
Why do I want to-
To burry you in the ground,
And drink the blood from your...
UGH!
