(Chorus)

Galaxy Glue, Galaxy Glue.
What Would We Do Without Galaxy Glue?
Galaxy Glue, Galaxy Glue.
Life Would Go To Pieces Without Galaxy Glue.
Ooohh Ooohh Ooohh.

(Verse 1)

A Part of Me, Like My Anatomy.
Much Like the Stars Are To The Sky.
Look Up And There's Another One To Buy.
And I Wonder Why, I Can't Live My Life Without 'Em.
They Stick To Me. They Stick To You.

(Chorus)

Galaxy Glue, Galaxy Glue.
What Would We Do Without Galaxy Glue?
Galaxy Glue, Galaxy Glue.
Life Would Go To Pieces Without Galaxy Glue.
Ooohh Ooohh Ooohh.

(Verse 2)

For Sex Appeal, And For My Thrills And Ills.
They All Make Claims To Be The Best.
Try One And There's A Better One To Test.
Then It Comes To Me.
Stop And Think They Couldn't Possibly, Be All they Say.
Work Or I'll Pay.

(Chorus)

Galaxy Glue, Galaxy Glue.
What Would We Do Without Galaxy Glue?
Galaxy Glue, Galaxy Glue.
Life Would Go To Pieces Without Galaxy Glue.
Ooohh Ooohh Ooohh.

(Verse 3)

Desirable, I'm So Desirable.
Why Close To Me They Wanna Be?
They Promised That They'll Take Good Care Of Me.
I Just Love 'Em All, But They Make Me Seem So Very
Small.

they Look To Me. I Look To them.

(Chorus)

Galaxy Glue, Galaxy Glue.

What Would We Do Without Galaxy Glue?

Galaxy Glue, Galaxy Glue.

Life Would Go To Pieces Without Galaxy Glue.

Ooohh Ooohh Ooohh.

Galaxy Glue, Galaxy Glue.

What Would We Do Without Galaxy Glue?

(Fade Out)
