This road that I'm taking twists and turns  
My life my chance turning dreams into reality.  
Down this path faced with so many things  
Sometimes I feel like giving up and turn away

Can't seem to go on  
And I've been through this before  
Now where am I?  
Where do I stand?  
A little lost here.  
But I'll remember.  
All those times you've bought me through  
I'd be a fool to give up cos' the goal is near

I'll move on I'll go on.  
Lord I will take your hand.  
And you will guide me along.  
Survive through this storm.  
So I say, come what may.  
I'll hold on to my hope.  
Yes, I will walk down this road.  
And my passion drive will lead me on

Here I am once again caught in the rain.  
Looking back I've come so far And I want to carry on  
Take a step at a time  
It's alright.  
Even through this rain, I want to smile again

Don't hold back now.  
And i've been through this before.  
Now where am I?  
Where do I stand?  
A little lost here.  
But I'll remember.  
All those times you've bought me through.  
I can feel the sun shining down on me

Here I am, Here I am.  
Lord I will take your hand.  
And you will guide me along.

Survive through this storm.  
So I say, come what may.  
I'll hold on to my hope.  
Yes, I will walk down this road.  
And my passion drive will lead me on.
