Taking a trip down memory lane  
Things have changed One thing remains  
That they will always have each other  
And even though those days have gone  
They know here is where they belong  
There's some kinda magic in the air

Feel the warmth  
That only summer breezes can bring  
Sweet little notes of spring begin  
Nothing to fear

Taking one step at a time  
Walking hand in hand  
1 2 3 4  
Cheek to cheek  
And they're learning How to do that dance  
Let this love be forever more they say  
I wish for this, to be true for you and me

Holding her close he leading the way  
Out at the park Enjoying the Day  
And you can tell they'll be okay  
Feel the warmth  
That only summer breezes can bring  
Sweet little notes of spring begin  
Nothing to fear

Taking one step at a time  
Walking hand in hand  
1 2 3 4  
Cheek to cheek  
And they're learning How to do that dance  
Let this love be forever more they say  
I wish for this, to be true for you and me

Taking one step at a time  
Walking hand in hand  
1 2 3 4  
Cheek to cheek  
And they're learning How to do that dance  
Let this love be forever more they say

I wish for this, to be true for you and me  
To be true for you and me  
To be true for you and me  
You and me  
You and me
