[Verse 1] Casanova

Fast life living on a crash course
to be loved, yeah that's all i ever asked for
border line crazy-no passports
money in the bank like shots off the backboards
killer flow, kinda inhumane
like a double-header boy a nigga too gamed
raps finest-you should refer to me as your highness
cash adds up though you'd rather see it minus
ugh--flow cold no sinus
goons on set, you aint running with my riders
money espresso am getting starbucks
can't miss my swag it's too enormous
fit for biz but fuck an office
my gains far over weigh my losses
imma baller boy am hood strong
though imma starter you a sub--no five dollar foot long

[chorus] Casanova

getting money is the plan
tell em' who the man
boy am the lead you can catch me if you can
catch me if you can, catch me if you can
aint talking money then i don't understand
tell em' catch me if you can, catch me if you can
boy am in the lead you can catch me if you can
catch me if you can, catch me if you can
ain't talking money then i don't understand..

[Verse 2] Fobi

there is no-one that is equal
man i do it for the people
if you gotta problem with me imma make you see my
people
and hating is forbidden and your girl is revealing man
don't you get excited cause' my skills are in-concealing
why they scheming, homie why they scheming?
if you come against me you will surely meet a dead
end
never born to fit in, why they try to prevent
its like they dont understand that this right here my
season

ugh- and who the best over all
and yea they hating on me cause' im fresher than em'
all
VIP section and you standing at the bar
and i think its understood i gotta plan to be a star
i smell a kill...i smell a kill
imma murder these dawgs man...Cruela Daville
i smell a kill...i smell a kill
imma murder these dawgs man...Cruela Daville

[chorus]
