Apple Tree

(Verse)

I'll never have the words to say
or ever find a way to replace you babe
I got a brand new plan in the wings
just you between me
mmmm
I'm done with little bitty childish games
This time around I got something to say
Throw it in rotation and let that mutha play
aye aye aye
I'm right on the way.
So we can make that good music now.
Ring the alarm and I'm a show you how.
Cause once before
I fell asleep beneath
the the the
the apple tree

(Bridge)

Music live within my soul
Dey pon dat steez from mi 5 years old
Dat's Right
Dat's the onl way I roll
kick up my feet dey pon cruise control

(Chorus)

Under the Apple Tree
A little girly laid there fast asleep
Under the Apple Tree
The treble and the bass woke that girl up from her
dreams.

(Bridge)

Music live within my soul
Dey pon dat steez from mi 5 years old
Dat's Right
Dat's the onl way I roll

(Verse)
