You're a taker
Silly heart breaker,
Plus a faker.
That's no good.
Once you give your
Foolish heart
The taker
Will give it back to you.
Cry me a river
But whatever
That you tell me
Is no good.
Just in case
I'm saying it's the last time
That I play the fool.
Tried my best to make it work
Found out that your love fell short.
I need someone to really please me.
Hey.
Think it's time we let this go.
When something's dead it just can't grow,
And you're just too damn deceiving.
So,

Tonight
I'm on my own
So prepared to leave
Pack my bags and go
Though it hurts to see
What we both have known
Danger Zone
Danger Zone
I'm on my own

Remember nights I was home?
You was off at the club
Hott with Jerome.
Huh
Sippin on Jack & Petrome,
Piss drunk by the end of the night,
And you be hollar'n at girls

That's a natural fact.
Your eyes will wander right in front of me
And straight to my back.
Am I a fool?
Finally got what you want.
Feel free if you want to,
Do what you want.
It's too exhausting,
And I really don't feel like
You're listening,
And I really don't know
What else to say.
Except for I'll be on my way
And there ain't no turning back...
Matter fact,
When I was lonely,
Why didn't you ever try to
Phone me?
Show me I'm your only
Tenderoni.
Do the right thing.
Pour out your heart,
Not pull my strings.
I wonder why dawg,
He don't know,
Trying to blame me.
There he go.
I gotta line for it,
See the floor?
Those are my bags by the door.
Hey!
Buck it up man.
This is the last stand.
No more late nights,
Drawing up master plans.
Get it together man,
And if you feel sad,
Take a breath and think of
What we once had.
Cause,

Tonight
I'm on my own
So prepared to leave
Pack my bags and go
Though it hurts to see
What we both have known
Danger Zone
Danger Zone
I'm on my own

All around the world
My bags I pack.
Tell me why you do me
Why you do me like that?
Turn off the lights,
The tears dem drop.
Tell me why you do me
Why you do me like that?
(Repeat 2x's)
