Jesy:  
Mmmmmm  
Yeah

Leigh-Anne:  
We are  
friends for life  
Hold that  
deep inside  
Let this be a drive  
To survive

Jade:  
And just end  
high and tall  
Make sure  
you give your all  
And if you,  
ever fall  
Know that I'm right here

All:  
We'll always be together  
don't you worry  
Ohh  
I'll always be by your side  
don't you worry  
(Jade:don't worry no,no,no)  
The circle will never end  
just know that we'll meet again  
And we'll always be together  
forever always  
I am here

Jesy:  
Find me in the sky  
Destine  
with the moon at night  
You're heart beat  
is disguised as my  
Lullaby

Perrie:  
Be happy  
And know that I'm

watching you travel far and wide  
Waiting  
for us to meet again

All:  
We'll always be together  
don't you worry (Perrie:don't you worry)  
I'll always be by your side  
don't you worry (Perrie:don't you worry)

And we'll always be together  
forever always (Perrie:ohhhhh)

I am here  
If you need me  
yeah  
I'm in the wind look for me friend  
I'm in the stars

Jade:  
When you need me  
the heavens will send a message within

All:  
Straight to your heart

Perrie:

We'll always be together  
don't you worry (Jesy:don't you worry,no)
