Chorus:

What's it gonna be 'cause I can't pretend
Don't you want to be more than friends
Hold me tight and don't let go
Don't let go.
You have the right to lose control
Don't let go.

I often told myself that we could be more than just
friends
I know you think that if we move to soon it would all end
I live in misery when you're not around
And I won't be satisfied till we're taken both vows

There'll be some love makin', heart breakin', soul
shaken woohooah
Love makin', heart breakin', soul shaken.

[Chorus]

Running in and
Out of my life
Has got me so confused
Together we can make it right.

[Chorus]
