In your heart
I found mine
Fill me
With your life
Oh you make me hot
On your red planet
Turn it up
On your red planet

[JESY]

I-I-I-I

Thought my love was bittersweet
Broken into pieces
But now back on my feet
Thanking you for letting me
To your galaxy
Bum ba dum bum
My heart beats

[JADE]

For you

And I do explore things
The way you make me feel
I can never explain
You make me, make me, make me feel

[JESY]

That your love is real

In your heart
I found me
Fill me
With your life
Oh you make me hot
On your red planet
Turn it up
On your red planet

In your eyes
I see truth
I'm so connected
To you
Can I make a stop
On your red planet
Turn it up

On your red planet

[LEIGH-ANNE (T-Boz)]
Tell me how it feels tonight
Show me I'm your girl tonight
Give me all your love tonight
(Red, red planet)

Tell me how it feels tonight
Show me I'm your girl tonight
Give me all your love tonight
(Red, red planet)

[T-BOZ (All)]
I knew
I knew your love was true
I see the stars, the sun and the moon
When I'm with you
(Loving you, loving you)
And it won't leave me alone
It's like a ghost haunting me
Now it's in my bones

[JADE]
Never knew my perfect one
Could be so sweet
Loving you
And you and me
Now that's twice as deep

[T-BOZ (All)]
That's what I love
About us two
(Cause I see me and you, yeah)

In your heart
I found mine
Fill me
With your life
Oh you make me hot
On your red planet
Turn it up
On your red planet

In your eyes
I see truth
I'm so connected
To you
Can I make a stop
On your red planet
Turn it up
On your red planet

[LEIGH-ANNE (T-Boz)]
Tell me how it feels tonight

Show me I'm your girl tonight
Give me all your love tonight
(Red, red planet)

Tell me how it feels tonight
Show me I'm your girl tonight
Give me all your love tonight
(Red, red planet)

[JADE]

I wanna be your
Only girl
And your
Best friend

I never want it to end
I live this over and over again
And again
And again

[PERRIE]

And use your
Body language
Don't say a thing

And do it over again
And do it over again
And do it over again
Until the end

[T-BOZ]

In your heart
I found mine
Fill me
With your life
Oh you make me hot
On your red planet

[ALL]

Turn it up
On your red planet

In your eyes
I see truth
I'm so connected
To you
Can I make a stop
On your red planet
Turn it up
On your red planet

[LEIGH-ANNE (T-Boz)]

Tell me how it feels tonight
Show me I'm your girl tonight
Give me all your love tonight

(Red, red planet)

Tell me how it feels tonight
Show me I'm your girl tonight
Give me all your love tonight
(Red, red planet)

Red, red planet
Red, red planet
Red, red planet
