(Jade, Leigh)

Momma, momma, momma made me the way I am
My face, my eyes, someone turn me up, I'm speaking my mind
And I, and I, I've been wasting lot of time looking in mirrors
And hating on me, but now I like what I see

(All-Jesy)

I know, I know, I never be perfect
I know, I know, but I'm gonna work it
Let go, let go, put your new shoes on
The new you on

(All)

We are who we are, who we are, pretties is a big word
And I'm gonna shine like a star, cause I'm the only me in this world
Throw with the books and the magazines, I never gonna look like a beauty queen
We are who we are, who we are, and I'm just doing me, just doing me

(All)

And I'm just doing me, just doing me

(Jesy-Perrie)

Momma, momma, momma made me the way I am
She told me I should look up on the world with my head held high
And I, and I, I've been wasting a lot of time looking in mirrors
And hating on me, but now I like what I see

(All-Jade)

I know, I know, I never be perfect
I know, I know, but I'm gonna work it
Let go, let go, put your new shoes on
The new you on
