[All:]

Mamma told me not to waste my life  
She said spread your wings my little butterfly  
Don't let what they say keep you up at night  
And if they give you shh...  
Then they can walk on by

[Jesy:]

My feet, feet can't touch the ground  
And I can't hear a sound  
But you just keep on running up your mouth yeah

[Jade:]

Walk, walk on over there  
Cause' I'm too fly to care, oh yeah

[All:]

Your words don't mean a thing  
I'm not listening  
Keep talking, all I know is

[Chours:]

Mamma told me not to waste my life  
She said spread your wings my little butterfly  
Don't let what they say keep you up at night  
And they can't detain you  
Cos wings are made to fly  
And we don't let nobody bring us down  
No matter what you say it won't hurt me  
Don't matter if I fall from the sky  
These wings are made to fly

Huh huh...

[Perrie:]

I'm firing up on that runway  
I know we gonna get there someday  
But we don't need no ready set go, no

[Leight-Anne:]

Talk, talk turns into air  
And I don't even care, oh yeah

[All:]

Your words don't mean a thing  
I'm not listening

Keep talking, all I know is

[Chorus:]

Mamma told me not to waste my life  
She said spread your wings my little butterfly  
Don't let what they say keep you up at night  
And they can't detain you  
Cos wings are made to fly  
And we don't let nobody bring us down  
No matter what you say it won't hurt me  
Don't matter if I fall from the sky  
These wings are made to fly

[All:]

I don't need no one saying hey, hey, hey, hey  
I don't heard no one saying hey, hey, hey, hey, hey, hey, hey, hey  
You better keep on walking  
I don't wanna hear you talking boy  
You better keep on walking  
I don't wanna hear you talking boy

[Perrie:]

Your words don't mean a thing  
I'm not listening  
They're just like water off my wings

[Chorus:]

[Chorus:]

Mamma told me not to waste my life  
She said spread your wings my little butterfly  
Don't let what they say keep you up at night  
And they can't detain you  
Cos wings are made to fly  
And we don't let nobody bring us down  
No matter what you say it won't hurt me  
Don't matter if I fall from the sky  
These wings are made to fly

And we don't let nobody bring us down  
No matter what you say it won't hurt me  
Don't matter if I fall from the sky  
These wings are made to fly
