I don't feel this is on my head  
Give it up for nothing and left for dead  
When you come around here, oh I know you  
Always in the places I want you to  
And I don't mean, to be unkind  
You're the revelator  
Don't you get too, close to hide  
Feel it all forever  
Oh you're Pure  
Oh you're Pure  
So Pure  
Oh you're Pure  
And I don't need it, if you don't too  
Caught up in the moment of something new  
Darkness all around me, it's closing in  
Don't want you to see me, so lost again  
And I don't mean, to be unkind  
You're the revelator  
Don't you get too, close to hide  
Feel it all forever  
Oh you're Pure

Oh youâ€™re Pure

So Pure

Oh youâ€™re Pure

And I know now itâ€™s up to you

Whiter than the fire that you leapt into

Filling up with nothing, nothing right

you just might

Oh youâ€™re Pure

Oh youâ€™re Pure

So Pure

Oh youâ€™re Pure

Oh youâ€™re Pure

Oh youâ€™re Pure

So Pure

Oh youâ€™re Pure
