Blue northern lights
Oh, weary wind stinging your ears
It's howling tonight
Singin' you songs of movin' on

The sparkle and snow
Crushin' diamonds under your feet
St. Mary's [Incomprehensible]
Feedin' you on a long way from home

Just say you want me
Just say you want me, even if it ain't true
Just say you need me
Just say you need me 'cause God only knows, I need
you

It gets in your bones
Rattles your windows when you're alone
Your soil turns to stone
And bottle don't help so you reach for the phone

Just say you want me
Just say you want me, even if it ain't true
Just say you need me
Just say you need me 'cause God only knows, I need
you

Just say you want me
Just say you want me, even if it ain't true
Just say you need me
Just say you need me 'cause God only knows, I need
you
