When my battle is over
When my race has been run
All that lingers is memory
Of a day almost done

Feel the cold wind blowing
See the days from long
Now it's time to be going home
Won't you sing me a song?

Sweet melody, carry me away
Make me rise up to the sky
I'll be wakin' to a never endin' day
Sing me one last lullaby

Sweet melody, carry me away
Make me rise up to the sky
I'll be wakin' to a never endin' day
Won't you sing me a lullaby?

Sweet melody, carry me away
Let me rise up to the sky
I'll be wakin' to a never endin' day
Sing me one last lullaby

A lullaby, lullaby, lullaby
Won't you sing me, sing me a lullaby?
Won't you sing me, sing me a lullaby?
Won't you sing me, sing me a lullaby?
Won't you sing me, sing me a lullaby?
Lullaby, lullaby, lullaby, lullaby
