Maybe we can be friends  
We can promise to keep our secrets  
We can spend time together  
I talk about my lovelies

Stop and listen  
Where is your vision

Hey boy  
This relationship was a mistake  
I guess we just wanted to  
This relationship  
But now over

I feel restless without you baby  
But I'm not happy with you  
So we have to say goodbye  
And it's time to leave

Yeah

Maybe we can be friends  
We can promise to keep our secrets  
We can spend time together  
I talk about my lovelies  
Love doesn't always win  
Love doesn't always win

Hey girl  
You know this is the right way  
But I can not see ahead,  
We now only go forward  
I don't wanna worry about us  
And we just be happy  
You must forget our memories  
This is much better  
This is much better

I feel restless without you baby  
But I'm not happy with you  
So we have to say goodbye  
And it's time to leave

Yeah

Maybe we can be friends  
We can promise to keep our secrets  
We can spend time together  
I talk about my lovelies  
Love doesn't always win  
Love doesn't always win  
LOVE DOESN'T ALWAYS WIN
