Till the break of day (x7)

Oh no,you have made this fire  
Cause you're just a liar  
I'll get you out of my mind  
So I can live with no stress!

Now you have made this fire  
Cause you're just a liar  
I'll get you out of my mind  
So I can live with no stress..stress..stress  
I can live with no stress !

Now I'm here~But you're not  
And this can hurt a lot,lot,lot  
You think I can't make it through  
Well you're wrong !  
I will find another "you" till the break of day !

I,,,I,,,I will cry for you  
I,,,I,,,I I'm missing you  
I,,,I,,,I will find another "you"  
Till the break of day (x7)

Oh no,you have made this fire  
Cause you're just a liar  
I'll get you out of my mind  
So I can live with no stress!

Now you have made this fire  
Cause you're just a liar  
I'll get you out of my mind  
So I can live with no stress..stress..stress  
I can live with no stress !

Cause I,,,I,,,I will cry for you  
I,,,I,,,I I'm missing you  
I,,,I,,,I will find another "you"  
Till the break of day (x7)

Oh no,you have made this fire

Cause you're just a liar  
I'll get you out of my mind  
So I can live with no stress!

Now you have made this fire  
Cause you're just a liar  
I'll get you out of my mind  
So I can live with no stress..stress..stress  
I can live with no stress !

Cause I,,,I,,I,,I will cry for you
