Biggest smile in my heart
Nothing can tear us apart
I've been searching for you all this time

Keep your eyes on my lips
Cuz it's them that you miss
I'll be there when you need my love

I need tonight
your love your love your love your love by my side
Cuz i'll be waiting for you
Sweet love tonight
your love your love your love your love by my side
Cuz i'll be waiting for your love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
just give me your sweet love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
you know your my sweet love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
just give me your sweet love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
you know your my sweet love

I need tonight
your love your love your love your love by my side
Cuz i'll be waiting for you
Sweet love tonight
your love your love your love your love by my side
Cuz i'll be waiting for your love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
just give me your sweet love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
you know your my sweet love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
just give me your sweet love

let's fly away together
let's get this dream forever
let's dance like we're in heaven
you know your my sweet love

say that you love me love me
