Verse 1:

So I see who you are and where you came  
So much about you and I the same  
But appearances aren't always as they seem  
So don't be fooled how I dress, it's not what I mean

Chorus:

Not a day goes passing by  
That I don't look to the clouds in the sky  
And about you do I think  
Think you maybe the missing link  
But sometimes I wonder if it's because I'm a dreamer  
If I don't dream, my serenity grows too much leaner  
Being a dreamer is the only way to survive this crazy  
world Makes finding the shell in the deep, dark  
sea...inside pearled

Verse 2:

So I was seeing what you're about and it made me cry  
It made me think about what I'm missing, I won't lie  
So I go on and be grateful for what I have, so I try  
But it's you that brings my passion, I can't deny

Repeat Chorus:

Bridge:

Being a dreamer is the only way to survive this crazy  
world, this crazy world, this crazy world  
You are missing in the shell, for it's pearled...
