This is the moment  
We'll remember  
Every day for the rest of our lives

Time may rush us  
Hurt or love us  
But on this day we have arrived

It's been a long time coming  
We've been in the running for so long  
But now we're on our way

Let the ride just take us  
Side by side and make us  
See the world through new eyes every day

Your're a winner  
I'm a winner  
This is all happening so fast  
You're a winner  
I'm a winner

Let's enjoy it all while it lasts

I've been a loser  
I've paid my dues  
I fought my way up from the ground

Now at this moment  
The crowd acclaimed us  
Will you just listen to that sound!

It's been a long time coming  
We've been in the running for so long  
But now we're on our way

Let the ride just take us  
Side by side and make us  
See the world through new eyes every day

Your're a winner  
I'm a winner

This is all happening so fast  
You're a winner  
I'm a winner

Lets enjoy it all while it lasts

It took us so long and we worked so hard  
We came so far just to compete

But don't forget all  
The love and laughter  
Now the world is at our feet

Looking back on all the times  
We felt downcast  
Didn't think we were going anywhere  
Just living in the past  
But in the desperation  
You get inspiration

Your're a winner  
I'm a winner  
This is all happening so fast  
You're a winner  
I'm a winner

Let's enjoy it all while it lasts

Cos' your're a winner  
I'm a winner  
This is all happening so fast  
You're a winner  
I'm a winner

Enjoy it while it lasts  
'cause you're a winne
