Sometimes I think about his eyes  
How theyâ€™re gonna look into mine  
And I see all the love that Iâ€™ve been dreaming  
of

Sometimes I imagine his voice  
Like a song above the noise  
And all the words I hear him whispering softly in  
my ear

Now donâ€™t think Iâ€™m Snow White  
Just waiting for my prince  
But life will lead me to a door where he will walk in

Life is a mystery  
Each day is my journey  
Into the unknown where Iâ€™m meant to go  
Thereâ€™s no twist or turn to be afraid of  
Cause I know each stepâ€™s taking me  
Closer to love  
Closer to love

Iâ€™ve walked on both sand and ice  
And Iâ€™ve fallen once or twice  
I had no hand to hold when it got dark and cold and I  
Stood at forks in the road  
Didnâ€™t know which way to go  
But I figured it out and now somewhere I have no doubt  
Someoneâ€™s on his way  
And heâ€™s right on time  
And someday his own path will turn and join with mine,  
yeah

Life is a mystery  
Each day is my journey  
Into the unknown where Iâ€™m meant to go  
Thereâ€™s no twist or turn to be afraid of  
Cause I know each stepâ€™s taking me  
Closer to love

Once he finally finds me  
Heâ€™ll always be beside me  
I wonder if todayâ€™s the day

Life is a mystery  
Each day is my journey  
Into the unknown where I'm meant to go  
There's no twist or turn to be afraid of  
Cause I know each step's taking me  
Closer to love  
Closer to love

Life is a mystery  
Each day is my journey  
Into the unknown
