Yeah, I know you niggas you've never been in my

A situation whereby you get chased by bitches,  
But that shit cant get up,  
You gotta wait for six weeks,  
And she is in your crib nigga,  
Now she got you excited,  
What you gonna do homie?,  
Run away to HEIT?,ha ha  
Yeah now listern,

Black cocain is in my veins,  
Tell "em haters went to HEIT,  
I'm thirst for that Black bitch,  
Got these niggas talking about me like it's their own  
bitch,  
Motherfucker I spit on your lady,  
Until she sees that you are the pain in her ass that i'm  
fucking right now,  
That's why you dont do shit,  
Coz you always full of my dirties,  
Got 'em niggas excited like they coming from mission,  
Homie you the last man on my Rap Game Competition,  
Got a lot of niggas wanna tag with me coz i'm into this  
mission,  
Haters hear me out i'm fucking your fantasy strippers,  
Burning rislers everyday i'm always high,  
Niggas be asking questions what about that Oakapipe,
