Yeah

I got the crowed by my hand,  
Respect is all I have for my uptown niggas,  
24/7 with my nigga Ashes,  
We fucking these bitches now we need virgins,  
Nigga you hate but you keep talking about us,  
Sweat, tears, blood, hustle we share non of that,  
I'ma beat slap your monkey ass prawn nigga,  
Downloads keep them things popping in nigga,  
We Eat Every Day gotta hustle for the future,  
These bitches ain't shaking but they make me climb the  
ladder to heaven,  
Prestige is all I have for my uptown niggas,  
LJUNDISPUTED be in this shit,  
I ain't tripping at all,  
I'm just doing this shit,  
There are many ways to make this money we need,  
We go race till we reach our final destination,  
You Chuck Norris you need to get into action,  
Show no mercy to your opponent like how I do,  
Got her standing in front of the priest screaming I do,  
That's doesn't prevent me from having it outside ,  
We go do it all night baby girl don't stress I'm the sex  
machine  
I'm the number one contender for that motherfucken  
pussy,  
Got these niggas wishing they could be my dick,  
I'm the man of the moment,  
These niggas shall talk about me every time I'm on it,  
I own this game,  
I come forward with my chopper,  
Any questions from y'all niggas,  
That's what I thought ,  
I guess not,  
Yeah,

Motherfucker I'm just telling it like it is,  
Even if I ain't go make it big,  
But these niggas going feel my chopper in their head,  
LJUNDISPUTED be the beast that you never know,  
Motherfucker hate this,  
Motherfucker feel this,
