Presidents to represent me
I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for dead fuckin' presidents to represent me

Ahh, who wanna bet us that we don't touch leathers
Stack cheddars forever, live treacherous all the et
ceteras
To the death of us, me and my confidants, we shine
You feel the ambiance, y'all niggaz just rhyme

By the ounce dough accumulates like snow
We don't just shine, we illuminate the whole show, you
feel me?
Factions from the other side would love to kill me
Spill three quarts of my blood into the street, let alone
the heat

Fuck 'em, we hate a nigga lovin' this life
In all possible ways, know the Feds is buggin' my life
Hospital days, reflectin' when my man laid up
On the Uptown high block, he got his side sprayed up

I saw his life slippin', this is a minor set back
Yo, still in all we livin', just dream about the get back
That made him smile though his eyes said, "Pray for
me"
I'll do you one better and slay these niggaz faithfully

Murder is a tough thing to digest, it's a slow process
And I ain't got nothin' but time
I had near brushes, not to mention three shots
Close range, never touched me, divine intervention

Can't stop I, from drinkin' Mai-Tai's, with Ta Ta
Down in Nevada, ha ha, Poppa, word life
I dabbled in crazy weight without rap, I was crazy
straight
Potnah, I'm still spendin' money from eighty-eight,
what?

Presidents to represent me

I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for dead fuckin' presidents to represent me

Geyeah, know what? I'll make
You and your wack mans fold like bad hands, roll like
Monopoly
Advance you copy me like white crystals, I gross the
most
At the end of the fiscal year than these niggaz can wish
to

The dead presidential candidate
With the sprinkles and the presidential, ice that'll offend
you
In due time when crime fleas my mind
All sneak thieves and playa haters can shine

But until then, I keep the trillion cut diamonds shinin'
brilliant
I'll tell you half the story, the rest you fill it in
Long as the villian win, I spend Japan Yen, attend major
events
Catch me in the joints, convinced my iguanas is bitin'

J-A-Y hyphen, controllin', manipulatin'
I got a good life man, pounds and pence
Nuff dollars make sense, while you ride the bench
Catch me swinging for the fence, Dead Presidents, ya
know

Dead fuckin' presidents to represent me
Dead fuckin' presidents to represent me
I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for dead fuckin' presidents to represent me

Uh-huh, yeah, uh-huh, so be it
The Soviet, The Unified Steady Flow
You already know, you light I'm heavy roll, heavy
dough
Mic macheted your flow, your paper falls slow

Like confetti, mines a steady grow, bet he glow
Pay five dead it from blow, better believe I have
Eleven sixty to show, my doe flip like Tae-Kwon
Jay-Z The Icon, baby, you like Dom, maybe this Cristal's

To change your life huh, roll with the winners
Heavy spenders like hit records, Roc-A-Fella

Don't get it corrected this shit is perfected
from chips to chicks just drivin' a Lexus

Make it without your gun, we takin' everything you
brung
We cake and you niggaz is fake and we gettin' it done
Crime Family, well connected Jay-Z
And you fake thugs is Unplugged like MTV
I empty three, take your treasure, my pleasure
Dead presidentials, politics as usual, blaow

Dead fuckin' presidents to represent me
Dead fuckin' presidents to represent me
Dead fuckin' presidents to represent me
Dead fuckin' presidents to represent me

I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for presidents to represent me

I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for presidents to represent me
I'm out for dead fuckin' presidents to represent me
