### Verse 1

Dear Darlin', please excuse my writing.  
I can't stop my hands from shaking cos I'm cold and  
alone tonight.  
I miss you and nothing hurts like no you.  
And no one understands what we went through.  
It was short. It was sweet. We tried.

### Pre Chorus 1

And if my words break through the wall and meet you  
at your door, all I  
could say is:  
"Girl, I mean them all."

### Chorus 1

Dear Darlin', please excuse my writing.  
I can't stop my hands from shaking cos I'm cold and  
alone tonight.  
I miss you and nothing hurts like no you.  
And no one understands what we went through.  
It was short. It was sweet.  
We tried.

We tried.

Been thinking about the ball we dreamt.  
Feeling like the sofa was sinking.  
I was warm in the hope of your eyes.

### Pre Chorus 2

So if my words break through the wall to meet you at  
your door, all I could  
say is:  
"Girl, I mean them all."
