If you stay a little longer  
I promise, I'll be on my best behaviour  
Yes I will  
I can get that taxi number  
I could call it now, but I'd rather do it later  
The smile on your face isn't fading  
So why don't you stay

Don't say goodnight yet  
There's still some time left  
It's getting late but  
Don't say goodnight yet  
You look amazing, I wanna hold ya  
I wanna get get, get to know ya  
Just say yes  
Don't get goodnight, yet

I could play a little Stevie, or Marvin  
We could watch a scary movie I don't mind  
Just take you coat off, that all that I want  
Just kick back relax, sit next to me  
Please don't leave

Don't say goodnight yet  
There's still some time left  
It's getting late but  
Don't say goodnight yet  
You look amazing, I wanna hold ya  
I wanna get get, get to know ya  
Just say yes  
Don't say goodnight

Climb onto the roof, look up at the sky  
I could count the stars, shining in your eye  
Won't you stay, stay a little longer!  
Please don't leave

Don't say goodnight yet  
Theres still some time left  
It's getting late but  
Don't say goodnight yet  
You look amazing, I wanna hold ya

I wanna get get, get to know ya  
Just say yes  
Donâ€™t say goodnight!  
Donâ€™t say goodnight!  
Donâ€™t say goodnight!  
Letâ€™s stay a little longer  
Theres so much time..  
You look amazing, I wanna hold ya  
I wanna get get, get to know ya  
Just say yes!  
Donâ€™t say goodnight, yet
