(I Blame) Hollywood Lyrics.

Frankly my dear, I don't give a damn
I wish that's how I felt
I just can't hide the fool that I am as I let you walk
away into the sunset
It's just another fine mess
I try to do the right thing
I ended up with nothing good
I blame Hollywood.

I try to be strong, to be brave, to behave like a hero
(hero)
I try to be tough, to be cool, to be smooth like De
Niro (De Niro)

But it hurts without you
And I look like a fool
And I don't have a clue what to say when love breaks
down
Cos this ain't tinsel town.

I made a mistake, I got confused
It's easy to forget
Cos this is real life with so much to lose
As I let you walk away into the sunset
Just another fine mess
I try to do the right thing

I ended up with nothing good (mmm girl)
I blame Hollywood.

I try to be strong, to be brave, to behave like a hero
(hero)
I try to be tough, cool, to be smooth like De Niro (De
Niro)

But it hurts without you
And I look like a fool
And I don't have a clue what to say when love breaks
down
Cos this ain't tinsel town No -oh-oh

Tinsel town no-oh
Tinsel town no-oh-oh

Tinsel town

I fell by the lights you knew that I would
Hurray for Hollywood
