feet on the driveway
key in the door
i found my suitcase on the living room floor
with no explanation, and no reason why
and all i keep thinking is, it's some other guy
i jumped on my vespa
ride through the gloom
i found myself back in my old bedroom
well, i'm going out to get over you
ain't no such thing as "it's too soon"

i'm ok
i'm gonna live the life i wanted every day
find someone to help me
chase the clouds away
if you wanna know it's written on my face
when you see me smiling
i'm ok

maybe you'll miss me or maybe you won't
still miss my kisses or maybe you don't
but the truth of it is
i don't care anymore
posted back all my feelings
with my keys through the door

cos i can't wait for that knock on the door
when you tell me that
you want it like we had it before
cos i got to say, that love aint here anymore
but don't you worry your head 'cos

chorus
i'm ok
i'm gonna live the life i wanted every day
find someone to help me
chase the clouds away
if you wanna know it's written on my face
when you see me smiling
i'm ok
cos i know you're gonna turn up here one day
and some pretty girl is sitting in your place

well i hope that you cope with that bitter taste

when you see me smiling
i'm ok

broken pieces held together
i'm not whole still, but whatever

chrous
