I just got home from work
Oh, what have I done?
You're pointing your finger at me
Like I've done something wrong
Every day you wake up
On the wrong side of the bed
And maybe I'd be better off
On my own instead
Sometimes I feel as though I'm never
Never good enough
If I hear anymore I'm heading for the door

Ooooooh
It takes a lot
Ooooooh
It takes a lot
Ooooooh
It takes a lot
It takes a lot to love you
Ooooooh
Things have to change
Ooooooh
It's all a game
Ooooooh
Let me explain
It takes a lot to love you

And when we got together you were so carefree
You always smiled and laughed
I thought that's how we'd be
But now you look at me and everything and
everything's my fault
I thought you were the one
But now you're just no fun

Ooooooh
It takes a lot
Ooooooh
It takes a lot
Ooooooh
It takes a lot

It takes a lot to love you
Ooooooh
Things have to change
Ooooooh
It's all a game
Ooooooh
Let me explain
It takes a lot to love you

Baby I'm just saying it's you that's changed
Are you ever coming, coming back, coming back
again?

Ooooooh
It takes a lot
Ooooooh
It takes a lot
Ooooooh
It takes a lot
It takes a lot to love you

Ooooooh
It takes a lot
Ooooooh
It takes a lot
Ooooooh
It takes a lot
It takes a lot to love you
Ooooooh
Things have to change
Ooooooh
It's all a game
Ooooooh
Let me explain
It takes a lot to love you

Ooooooh
It takes a lot
It takes a lot to love you
