Don't cry little girl there's only people falling.
Don't cry little girl you're only breathing poison.
Wipe those tears from your eyes

Life is just a game and I am tired of losing.
Life is just a game and I am tired of losing.

Your turn to toss the dice.
I hope you're luckier than me.
The politician keeps on lying.
And my neighbor just shot a man.

Life is just a game and I am tired of losing.
Life is just a game and I am tired of losing.

Don't cry little girl there's only people dying.
You're only breathing poison.
The politician keeps on lying.
My neighbor just shot a man.
Don't cry little girl

Life is just a game and I am tired of losing.
Life is just a game and I am tired of losing.
