Hold onto me now
Hold onto me now
This is going to hurt
This is going to hurt

There you lay in your gown
The white walls around you trapped you now
You're struggling just to breath
There beside you kiss your cheek

Hold onto me now
Hold onto me now
This is going to hurt

This is going to hurt

Think of everything that you did
Was it worth it, did you live
Pray to Jesus that your home
Miss your more, than you'll ever know

Hold onto me now
Hold onto me now
This is going to hurt
This is going to hurt
