Uh- I can make you smile and all of that, but if I make
you cry roll with that- say you want a thug up in ya life,
but you aint never seen blood from a homicide, see
you want this Don cause you heard that talk, bout how I
murk that thing and I make you walk. Did you hear lil
thing bout my gangsta ways how I might leave for days
and days just might drive you crazy? Let me tell you my
type my girls like girls world got worlds my freaks got
freaks streets got streets and my heat got heat-
But you wanna be down call me everyday---Donâ€™t
play----See Iâ€™m hard on these freaks you can ask
around gotta think just like me gotta be just like me
and these streets around, and Iâ€™ma show you love
girl everyday but my love aint like they love my love
come with a price and that you pay See ready to smile
be ready to frown some of elders will come first cause
they dodged that Hurst but they got locked down..
church- yeah thatâ€™s cool if make you good- if you
wanna pray harder pray for my whole damn click and
my neighborhood- see you can love me now or love me
later-Iâ€™m still be Don waiving my wand posting bond
in Decatur
Wanna be my hot one can you stomach it? If I point and
click and say thatâ€™s him baby hit that one?
You girl nah and thatâ€™s okay â€œjust another test
you run and tell your kid you aint pass today
You run with me you run with tears-you run with me
canâ€™t have no fear- you run with me girl gotta
smart-gotta have my back and have my heart-run
today, run tomorr- we aint got no time for gazing stars
we aint got no time for gazing stars- you a girl and
Iâ€™ll break your heart
You a girl and Iâ€™ll break your heart
You a girl and Iâ€™ll break your heart
You a girl and Iâ€™ll break your heart
You a girl and Iâ€™ll break your heart
You a girl and Iâ€™ll break your heart
You a girl and Iâ€™ll break your heart
Go-on go-on go-on go-on nowâ€¦.
[Bridge] Are you another figment of my magination are
you really in love with mafia persuasion-didnâ€™t

wanna be the one to tell you good-bye was hopin you
were too pretty to stay in my life-wish that I could love
you like a regular man but I aint somebody that you
would understand if you walk away now I think I'll
be alright, cause deep inside I know that I'm the
reason why good girls cry.

[Adlib] Good girls cry-Good girls cry-Good girls cry {I
think I'll be alright, cause deep inside I know that
I'm the reason why good girls cry.}

I aint no good for you baby} repeat 10 times
