Verse One

Excuse me Miss, I don't mean to walk up on you like
this please don't dis, all my dudes looking at me
lady please don't trip I hope to God I don't say
nothing to make you flip I just wanna know your name
and how you did that trick. How you get up in those
jeans and make all that fit?

What-you tryin to start a riot make my goons act sick?
You don't need no more attention to those glossed
out lips and that vibe that you kicking make me need
that kiss, I was gonna say I want it but I need that kiss,
you gon' probably think I'm crazy or a hood
misfit, but I promise I don't ever lose my cool like
this. I'm a God where I'm from I don't be
moved like this and my crew can't relate they
don't be real like this, we keep it rude every day we
don't be real like this I aint lying I could probably
get killed like this.

[Chorus]

I got the hardest crush [I got the hardest} I got the
hardest crush {I got the hardest} I got the hardest
love{I got the hardest} I got the hardest crush{I got
the hardest} I got the hardest

Verse Two

I'm sorry did you say I look familiar? Like that dude
with that Jewish star and Koo-duka killas-

Boo Boo-them day's long gone all you gotta do is
say the word and they gone I can't promise you a
life time of happy days with me. I'm moody cause
I'm Capricorn and spoiled like a baby, furs on my
back since the 80's but every lady that called my
lady was my baby for real I can't say that I'm
the type that share things on my mind I cried for kids in
my hood that didn't make age nine, my homey cut
a fool in jail they gave more time I'm a spit fire pay
me now type all time, a big cry baby shed tears for the
grind and I never leave the house without doing one
line at least two lines with me no lying I keep it one
hundred one truth I'm trying.

[Chorus]

I got the hardest crush [I got the hardest} I got the
hardest crush {I got the hardest} I got the hardest

love{I got the hardest} I got the hardest crush{I got
the hardest} I got the hardest

Verse Three-Final

Boo Boo- let's be honest, you probably got a man I
probably got chick that know she loves her man I hope
you understand this aint bout me leaving home this
aint bout you leaving Holmes its lonely being me I got
phonies in to me, my circle so tight knit your boy
can't breathe- your boy can't breathe- I
can't even catch the flu without security sending
dudes to my house they scared when I'm weak. I
just need a little normalcy around me, that's why
I'm glad that you found me uh- I hope to God you
see what I see and feel girl I'm trying to be real
here-forget the rumors you aint met one yet that can
move the mountains like I move cause I'm æLord
Hector for real here's my number call me when
you feel like being bothered or call me when you feel
like being honored

[Chorus]I got the hardest crush [I got the hardest} I got
the hardest crush {I got the hardest} I got the hardest
love{I got the hardest} I got the hardest crush{I got
the hardest} I got the hardest
