The peace our music brings
The song is our garden
And while we sing weâ€™ ll grow
Unlike your killing song
Cause out your mouth come weeds
And my hallowing will turn the forest grey
Itâ€™ s so peaceful here
Itâ€™ s where I think Iâ€™ ll stay
And as you walk away
I hear you sing ooooh
Youâ€™ re on your own

You kill the peace
Our garden brings
Our sorrow

The birds are hunting
A woman and her paintings
And they pick on her chest
But she keeps breathing
I love her more than words
And now that our song
Can keep the birds away
Itâ€™ s so peaceful here
Itâ€™ s where I think Iâ€™ ll stay
And as you walk away
I hear you sing ooooh
Youâ€™ re on your own

You kill the peace
Our garden brings
Our sorrow

You burned down my
Childhood home
Our life is short
Ooo ooo ooo ooo oo oo

You breathe the peace
Our garden brings
Arenâ€™ t we grown?
