this song is for the painter
who lost both of her hands
and this song is for the wanderer
who never came home again

for all those with broken hearts
I know what you're going through
I had a true love once
But now they've gone and left me blue

So now I would like to swim
to the bottom of the ocean
There I'll scream as loud as I can
where there's no one I can frighten

so I'd do anything to cry
I'd do anything to cry
let this pain fall from my eyes
And let time heal my insides

I shout out to my grandparents
Hope you find each other in heaven
I shout out to my grandparents
Hope you find each other in heaven

and to all of my friends
sorry I left you behind
and if I ever come back home
will you pour me a glass of wine

and I'd do anything to cry
I'd do anything to cry
let this pain fall from my eyes
and let time heal my insides

This song is for the painter

who lost both of her hands
and if I ever find my heart darling
I promise to come home again
