

Lotus Crush "Black Hole Heart"

Visit "[Black Hole Heart](#)" on MotoLyrics.com

Somebody shout on a diamond mine,
You got to dig to find the stones,
Well you might scratch the surface,
And still be alone.
Well I did my share of digging,
Now I dragged you in the hole
And you ain't seen the sunlight,
Since I don't know.

Out of control,
This will fade in my soul,
Cause I told you
There's a black hole in my heart.
Spinning you round til you're dragged right down
And I drove you
Into the black hole in my heart.

Dragged to hell,
By this gravity well
Love and light disappear,
I can steal your smile
Or arrest you while,
If I hold you near,
And it feels sometimes like you're doing time
And that I keep my soul on the run,
Well you can read my mind
Like a telephone line to a distant sun.

Out of control
This will fade in my soul
Cause I told you,
There's a black hole in my heart!
Spinning you round til you're dragged right down
And I drove you
Into the black hole in my heart.

Out of control
You will fade in my soul
Cause I told you,
There's a black hole in my heart!
Spinning you round til you're dragged right down
And I drove you

Thereâ€™s black hole in my heart.

(repeat 2x)

Thereâ€™s a black hole in my heart!

Thereâ€™s a black hole in my heart!

Oh, Iâ€™m a black hole in my,

Oh, Iâ€™m a black hole in your.
