Give me a kiss to build a dream on
And my imagination will thrive upon that kiss
Sweetheart, I ask no more than this
A kiss to build a dream on

Give me a kiss before you leave me
And my imagination will feed my hungry heart
Leave me one thing before we part
A kiss to build a dream on

When I'm alone with my fancies... i'll be with you
Weaving romances... making believe they're true

Give me your lips for just a moment
And my imagination will make that moment live
Give me what you alone can give
A kiss to build a dream on

(instrumental break)

When I'm alone with my fancies... i'll be with you
Weaving romances... making believe they're true

Give me a kiss to build a dream on
And my imagination will thrive upon that kiss
Ah sweetheart, I ask no more than this
A kiss to build a dream on
