Friday night and everyone's moving.
I can feel the heat but it's soothing.
Heading down, I search for the beat in this dirty town.

Down town the young ones are going.
Down town the young ones are growing.

We're the kids in America.
We're the kids in America.
Everybody live for the music-go-round.

Bright lights the music get faster.
Look boy, don't check on your watch, not another
glance.

I'm not leaving now, honey not a chance.

We're the kids in America.
We're the kids in America.
Everybody live for the music-go-round.

We're the kids
We're the kids
We're the kids in America

We're the kids in America.
We're the kids in America.
Everybody live for the music-go-round
