(Ooh!)

I get a high blood pressure
When you call my name
A-uh-huh
I get a high blood pressure
When you call my name
Whoa-yeah
I get a high blood pressure, girl
Baby, when you're by my side
Yeah!
I get a high blood pressure
When you by my side
A-huh-huh

I get a high (uh-huh)
Blood pressure (yeah)
When you speak to me (yeah)
A-huh-huh (yeah)
I get a high blood pressure
Can-a hardly see
Whoa, yeah

I get a-high blood pressure, girl
Baby, when you're by my side
Yeah!
I get a high blood pressure
When you by my side
Uh-huh-huh

My eyes keep a-jumpin'
Up and down in shame
My heart keeps a-jumpin'
Up and down in vain

Chills run up and down
My spine it's the truth
My face begin to sweat
And it's (all because of you)

I get a high blood pressure
'Cause-a, I'm your man

A-uh-huh
I get a high blood pressure
'Cause-a, I'm your man
Whoa, yeah

I get a high blood pressure, girl
Baby, when you're by my side
Yeah!
I get a high blood pressure
When you by my side
A-huh-huh

(sax & instrumental)

My eyes keep a-jumpin'
Up and down in shame
My heart keeps a-jumpin'
Up and down in vain

Chills run up and down
My spine it's the truth
My face begins to sweat
And it's (all because of you)

I get a high blood pressure
Cause-a I'm your man
A-huh-huh
I get a high blood pressure
Cause-a I'm your man
Whoa, yeah

I get a high blood pressure, girl
Baby, when I'm by my side
Yeah!
I get a high blood pressure
When I'm by your side

Uh-huh-huh

Whoa, yes

Uh-huh

Yeah-eah

FADES-

Uh-huh

Yeah-eah-eah

Wah-ha

You're the best

It's you.
