"Hully Gully"

Visit "[Hully Gully](#)" on MotoLyrics.com

A-there's a dance spreadin' round

Like an awful disease

(Hully, Hully Gully)

Oh well, you shake yo' shoulders

And you wiggle yo' knees

(Hully, Hully Gully)

A-this dance goin' around

From coast to coast

(Hully, Hully Gully)

A-when me an my baby do it

Child, we do it the mo-oh-ost

(Hully, Hully Gully)

A-mama, Hully Gully

Papa, Hully Gully

Baby, Hully Gully, too

'Come on let's take a lesson, now'

(Hully, Hully Gully)

'Alright, shake yo' shoulders, now'

(Hully, Hully Gully)

'Alright, wiggle yo' knees, now'

(Do the Hully Gully)

A-wail, now

(Really, Hully Gully)

Mama, Hully Gully

Sure can, Hully Gully

You can Hully Gully, too

We-eeeell

I went to a party, now

And what did they do?

(Hully, Hully Gully)

Now, everybody's doin' it

Now, why ain't you-ooo-hoo?

(Hully, Hully Gully)

Everybody look like he's got the sha-a-ake

(Now they Hully Gully)

Just listen here, brother

That is all it takes

(Now they, Hully Gully)

A-mama, Hully Gully

Papa, Hully Gully

And baby Hully Gully, too

Mama, Hully Gully

Baby, Hully Gully

And you can Hully Gully, too

'Whew'!

'Hold it, hold it, hold, hold it'

Unk bkgrnd:

'I'll make time you wanna call it?

He asked for one more time, so that's it! '

'Maurice, can't help it'

'One mo'-ooh, again

(We'll be slowly movin')

'All of us work a little while, now'

(We'll be slowly groovin')

'That's the way I like it'

(We'll be slowly movin')

'I bring ho's even with us'

(We'll be always movin')

Unk bkgrnd:

Why you bringin' ho's for?

Do a little cha-cha

Then you do the Foot Stomp

Everybody's here gonna get aboard

(Woo-woo)

(We'll be always movin')

Get the police coming out

(We'll be holy rollin')

'I'm in the Soul Train'

(We'll be holy someday)

'Oh, shake that thing, honey'

(We'll be really groovin')

We're gonna do the Hully Gully

Never gonna stop
Tell me anybody here
Who learned to do The Slop?
(Will be slowly groovin')
Bring uncle along
(Groovin', always movin')
Auntie, too!
(Do the hully gully)
Don't forget about the cousins
Nieces, nephews
(We'll be slowly groovin')
Auntie, Hully Gully
Auntie, Hully Gully
Brother, sisters, nephews, nieces
Gramma, too!
(With the Hully Gully)
FADES
'Oh, shake that thing'
(With the Hully Gully)
'That's the way I like it'
(We'll be).
