Well you know there's a dance  
Goin around  
In every city  
Every town.  
You need a little soul  
About one ounce  
To do the dance,  
To do the dance,  
To do the dance  
Called the bounce.

You put your right foot out,  
Your left one, too.  
You listen here girl  
What were gonna do.  
You wiggle your knees  
Round and round.  
Now you're doin the dance,  
You're doin the dance,  
You're doin the dance  
Called the bounce.

You put your hands in the air.  
Bring them back.  
Move your hair  
To the Jimmy Mack.  
You need a little soul,  
About one ounce.  
Now you're doin the dance,  
Oh, the dance.  
You're doin the dance,  
Called the bounce.  
Hey you're doin the dance.  
You're doin the dance,  
Hey, the dance,  
Called the bounce.
