To save my soul I can't get a date,
Baby's got it tuned on channel eight.
Now Wyatt Earp and the Big Cheyenne
They're comin' thru the T.V. shootin up the land.
Ah um my baby loves the Western movies.
My baby loves the Western movies,
Bam, bam, shoot 'em up Pow.
Ah um my babe loves the Western Movies.
I call my baby on the telephone
To tell her half my head was gone
I just got hit by a great big brick
She says thanks for reminding me about that Maverick
Ah um my baby loves the Western movies.

My baby loves the Western movies,
Bam, bam, shoot em up pow.
Ah um
My baby loves the Western movies.
Well there's Jeremy Roller and Old Cochise
Jim Hardy, Jim Bowie and Sugarfoot.
They all have gun will travel
Give me back my boots and saddle uh huh.

Here's the story of the certain Wagon Train Mccord
A broken arrow has broken my heart.
A Jefferson Thomas with Bat Masterson
Unties my baby and the fight was won.
Ah um my baby loves the Western movies.
My baby loves the western movies.
Bam bam shoot em up pow.
Ah um, my baby loves the western movies.
