Half past one the music's loud
My head is spinning round and round
And the air is so hazy
I come and find you in the dark
Through rhythms of a sweet guitar
I'm feeling so crazy

We're just two strangers having fun
Looking for a place to run
I'll tell you a secret
You can take me home tonight
The rhythm's running through my mind
You've got me dreaming

I don't wanna say goodbye
Knowing that our time is up
I don't wanna say goodnight
Knowing you and I could find
Real love.

Half past three the crowd is gone
We found a spot where we belong
I don't wanna lose it
Silence leads to loneliness
So stay with me and take a chance
Let's keep on groovin'

I don't wanna say goodbye
Knowing that our time is up
I don't wanna say goodnight
Knowing you and I could find
Real love
Real love

We fall into each other's arms
Awakened by a soft alarm
With the light of a new day
We're just two lovers having fun
Hiding from the morning sun
Now the darkness is far away

I don't wanna say goodbye

Knowing that our time is up
I don't wanna say goodnight
Knowing you and I could find
Real love
Real love
